

ASMTTP SOFTWARE LICENSE AGREEMENT

NOTICE TO CUSTOMER: PLEASE READ THIS AGREEMENT CAREFULLY BEFORE PLACING AN ORDER FOR THE ASMTTP SOFTWARE. BY PLACING AN ONLINE ORDER FOR THE ASMTTP SOFTWARE, INSTALLING THE ASMTTP SOFTWARE, OR USING THE ASMTTP SOFTWARE YOU ACCEPT ALL THE TERMS AND CONDITIONS OF THIS AGREEMENT, INCLUDING, IN PARTICULAR, LIMITATIONS ON USE (SECTIONS 2 AND 3), WARRANTY (SECTIONS 7 AND 8), AND TRANSFERABILITY (SECTION 9). FURTHER, YOU AGREE THAT THIS LICENSE LINKED TO YOUR PURCHASE OR INSTALLATION OF THE ASMTTP SOFTWARE IS ENFORCEABLE TO THE SAME EXTENT AS A PRINTED AGREEMENT SIGNED BY YOU. IF YOU DO NOT AGREE, DO NOT ORDER, INSTALL, OR USE THIS SOFTWARE.

1. LICENSE

This ASMTTP Software License Agreement ("Agreement") is a binding legal agreement between you ("Licensee", a legal entity such as a person or organization) and ESCOM® Corporation, a Virginia corporation having a place of business in Oakton, Virginia USA ("Licensor").

This Agreement defines your rights and responsibilities with respect to ESCOM's ASMTTP product, including software programs, data files, and product documentation ("Documentation"), collectively, the "ASMTTP Software". The ASMTTP Software includes (a) product distributions on CD-ROM, disk, or other tangible media; (b) e-mailed or downloaded copies of the product distributions; and (c) updates and modifications of the software programs, Documentation, and data.

2. GRANT

Upon execution of this License Agreement, payment-in-full of a License Fee, and acceptance by Licensor, Licensor grants Licensee a non-exclusive, non-transferable license to use the ASMTTP Software for the purposes described in the Documentation. This is a license to use the ASMTTP Software, not a sale.

Licensee may install and run one copy of the ASMTTP Software per computer ("Computer"), up to and including the number of licensed copies of the ASMTTP Software, for the specified period ("Term") of the License purchased by Licensee. Licensee may use the ASMTTP Software to filter electronic mail for multiple end users, in one or more domains, up to and including the licensed maximum number of users. If the number of users grows beyond the licensed maximum, Licensee agrees to notify Licensor and potentially purchase additional capacity.

Licensor includes certain hardware and software mechanisms (Section 5) to enforce these restrictions. Licensee must register each Computer with Licensor in order to run the ASMTTP Software and must thereafter run the ASMTTP Software on that Computer. In the event of a Computer failure, Licensee may move the ASMTTP Software or an archival/back-up copy to a replacement Computer, by registering the new Computer.

Licensee may make archival or back-up copies of the ASMTTP Software provided Licensee protects such copies from unauthorized access.

Licensee may make printed or electronic copies of the Documentation as required for its own internal purposes.

3. RESTRICTIONS

Licensee may use the ASMTTP Software only on the specific Computer registered by Licensee. Licensee may not copy the ASMTTP Software into the local memory or storage device of any other computer, other than to make archival or back-up copies of the software. Licensee must protect such archival or back-up copies so that they can be accessed only by authorized administrators.

Licensee may not sell, rent, lease or otherwise transfer the ASMTTP Software or Documentation to another party.

Licensee may not make the ASMTTP Software or Documentation available over the Internet or similar networking technology. Licensee may not remove any patent, patent pending, copyright, trademark, or other proprietary notices from the ASMTTP Software or Documentation. Licensee may not reverse engineer, decompile, or disassemble the ASMTTP Software, except to the extent the Licensor cannot prohibit such acts by law. The Licensor reserves the right to enforce its rights under this License Agreement and under applicable intellectual-property laws.

Derivative works based on the ASMTTP Software and/or Documentation are the property of the Licensor.

ASMTTP Software License Agreement

This License Agreement extends to future releases of the ASMTTP Software that are made available by Licensor and installed by Licensee. Licensee shall use only one such release at a time.

Licensor may, solely for the convenience of customers, supply the ASMTTP Software, or updates thereto, via download from an Internet server, as electronic mail attachments, or on different types of electronic media. If Licensee receives the ASMTTP Software via different types of media, Licensee shall use only one such medium, and this License Agreement shall be construed as though Licensee had received only one such medium.

4. INTELLECTUAL PROPERTY

Licensor has and will retain all ownership rights in the ASMTTP Software and Documentation, including all patent rights, copyrights, trade secrets, trademarks, service marks, related goodwill and confidential and proprietary information, as well as other intellectual property laws and treaties. Licensee's use of the ASMTTP Software and Documentation is subject to Licensor's ownership rights, including the applicable patent and copyright laws and the express rights and restrictions of this License Agreement. Ownership of intellectual property is not affected by this License Agreement.

This License Agreement does not grant Licensee any rights in connection with any trademarks or service marks of Licensor.

5. ENFORCEMENT MECHANISMS

Licensee hereby represents and warrants that it understands that the ASMTTP Software includes technical means to ensure that it will not run on unregistered hardware. Further, if ASMTTP detects that it is running on unregistered hardware or on an unregistered operating system, or beyond the Term of the Agreement, ASMTTP will shut down and remove itself from the system.

6. TERMINATION

Licensee may terminate this License Agreement for any reason by notifying Licensor in writing and returning all copies of all or any part of the ASMTTP Software and Documentation to Licensor.

This License Agreement is subject to termination by Licensor for any breach of the License by Licensee. This License Agreement shall be subject to termination by Licensor if Licensee makes any unauthorized use, distribution or transfer of any one of the ASMTTP Software or Documentation. If Licensee violates any term or condition of this License Agreement, Licensor or its agents may terminate this License Agreement immediately by giving written notice of termination to Licensee.

Immediately upon termination by the Licensor, the Licensee shall return to Licensor all original copies of all or any part of the ASMTTP Software and Documentation in Licensee's possession or under Licensee's control. Licensee shall destroy all copies of all or any part of the ASMTTP Software and Documentation stored on the Computer, or other computers within Licensee's control, or on backup media. Licensee shall have no right to keep or use any copy of the ASMTTP Software or Documentation for any purpose after termination. Licensee shall identify to Licensor any and all copies of the ASMTTP Software and Documentation that it is unable to return or destroy, including copies no longer in Licensee's control, and the reason the Licensee is unable to return or destroy that ASMTTP Software or Documentation.

7. LIMITED WARRANTY

THE ASMTTP SOFTWARE IS WARRANTED TO OPERATE SUBSTANTIALLY AS DESCRIBED IN THE DOCUMENTATION UNDER NORMAL AND PROPER USAGE FOR A PERIOD OF ONE YEAR ("WARRANTY PERIOD") FROM DELIVERY. LICENSEE'S REMEDY UNDER THE WARRANTY SHALL BE LIMITED TO ONE OF THE FOLLOWING, AT THE LICENSOR'S SOLE DISCRETION AND OPTION: EITHER (1) REPAIR OR REPLACEMENT OF THE ASMTTP SOFTWARE, OR (2) REFUND OF THE PURCHASE PRICE. ANY NON-CONFORMANCE MUST BE REPORTED WITHIN THE WARRANTY PERIOD. THIS WARRANTY DOES NOT COVER DEFECTS DUE TO ACCIDENT, ABUSE, SERVICE OR MODIFICATION BY ANY UNAUTHORIZED PERSON, OR ANY CAUSE OCCURRING AFTER INITIAL DELIVERY OF THE MEDIUM TO LICENSEE. THIS WARRANTY GIVES LICENSEE SPECIFIC LEGAL RIGHTS, AND LICENSEE MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.

SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO LICENSEE. IN NO EVENT WILL THE LICENSOR BE LIABLE FOR ANY DAMAGES RESULTING FROM LOSS OF DATA OR USE, OR LOST PROFITS. IN NO EVENT WILL THE LICENSOR BE SUBJECT TO SPECIFIC PERFORMANCE.

If Licensee obtains the ASMTF Software or Documentation for the purpose of furnishing or using it under any government contract or purchase order, the Licensor shall have all the rights which are available to Licensee under such government contract or purchase order, whether Licensee is a prime contractor or supplier to the government or a subcontractor at any tier.

ASMTF Software License Agreement

This License Agreement constitutes the entire agreement between the Licensor and Licensee, absent a written modification signed by an officer of the Licensor or another person empowered to act on behalf of the Licensor. Oral agreements and Licensor's website (now or in the future) shall have no effect. The failure of the Licensor to object to any additional terms or conditions shall not be construed as acceptance of any such terms or conditions, nor as a waiver of any provision of this License Agreement, nor shall the failure of the Licensor to insist upon strict performance of any term or condition of this License Agreement be construed as a waiver of such term or condition or a waiver of any default.
